- N.B. 1) Shipment of all the above Fruit is effected in Refrigerated space. The C.I.F. prices have been calculated according to present freight rates. Any variations will be for Buyer's account.
- 2) The Fruit supplied will be of choice quality and is subject to a compulsory inspection by the Department of Agriculture prior to shipment. Thereafter, the goods will travel at Buyer's risk and perils.
- 3) Insurance will be covered F.P.A. including loss or damage caused by breakdown of refrigerated machinery for at least 24 consecutive hours, as per Institute Cargo Clauses, and does not include loss or damage caused by inherent vice.
- 4) Our quotations are for minimum orders of 30 trays or cases of assorted fruit. Should lesser quantities be ordered fl. l. O. will be debited in addition for the cost of the Bill of Lading as per incoterm.
- 5) To ensure the procurement of the necessary shipping space, orders must be placed at least 18 days prior to sailing date of the vessel.
