Dear Caroline,

Many thanks for your letter. I see that the children and the housekeeping are keeping you quite busy, so that you don't feel too lonely.

At Sleepways life has returned to normal, Norma works most of the time in the garden and I do the shopping and some bookkeeping for Henri.

At night Mimi keeps me entertained - bringing me a mouse, a bird or frogs to the bedroom - and I have to catch and kill them.

I don't remember your brand of cigarettes, but I hope the Rothmans will also be o.k. Kind regards
Papa.
