Dear Sir,

I am in receipt of your letter dated 4.9.1980, and appreciate the position of the members of your family. I have accordingly asked the Auctioneers who are to sell the two properties to make it quite clear that Dr. Haenggi and his wife are resident in Switzerland, so that there cannot be any comeback as far as the remaining members of your family are concerned.

Yours faithfully,
for Insolvent Estate H.R. HAENGGI.

TRUSTEE.
