Dear *Fernand*

As part of the celebration for the opening of the NFO XI Home Ground the NFO XI will be playing two games of cricket over the weekend of the party. On the Saturday we will be playing a match against Harold Hester's Evergreen XI, which is made up of players, past and present, from CDM. Then on the Sunday there will be a match involving 22 members of the NFO XI.

These games will start in the morning and both the Manager and I hope you will come, see and enjoy the Magnificent men playing on the Magnificent Field on either or both days. Bring your family and friends - Bring a picnic or the ladies and gentlemen of the informal sector will be on hand selling hotdogs etc.

Looking forward to seeing you over the weekend.

Best wishes.

Nicky Oppenheimer
